

# Meeting Notice

---

Please join the Arizona Department of Environmental Quality (ADEQ) for a Lake Mary Regional Total Maximum Daily Load (TMDL) analysis public meeting on Tuesday, June 17, 2008 from 6:00 p.m. to 8:00 p.m. at the ADEQ Northern Regional Office in Flagstaff, Arizona.

## **Meeting Essentials**

What: Lake Mary Regional TMDL Public Meeting

Who: ADEQ, Malcolm Pirnie, Inc., stakeholders and interested parties

When: June 17, 2008 – 6:00 p.m. – 8:00 p.m.

Where: ADEQ Northern Regional Office  
1801 W Route 66, Suite 117  
Flagstaff, AZ 86001  
(928) 779-0313

ADEQ has identified five lakes in the Lake Mary region, including Upper and Lower Lake Mary, Soldiers, Soldiers Annex, and Long Lake as not supporting the Fish Consumption designated use, due to excessive mercury in the fish tissue. A TMDL is a determination of the maximum amount of a pollutant that a waterbody can assimilate and still meet surface water quality standards. Using the results of this investigation, the agency will work with stakeholders to identify appropriate, affordable, and effective actions necessary to protect the Fish Consumption designated use and develop a plan to implement these actions.

At this meeting, ADEQ will provide a project overview, report what the TMDL investigation has accomplished to date, discuss the data collected, mercury and sediment loading models, and solicit input from stakeholders. A discussion regarding data sources, potential sources of pollutants, pollutant loads, and load reductions will conclude the meeting.

Notice of the meeting will also be posted on ADEQ's web site at [www.adeq.state.az.us/cgi-bin/vertical.pl](http://www.adeq.state.az.us/cgi-bin/vertical.pl). For questions and additional information please contact Jason Sutter, TMDL Unit Supervisor at (602) 771-4468 or [sutter.jason@azdeq.gov](mailto:sutter.jason@azdeq.gov)

***Directions to ADEQ Northern Regional Office*** – Follow Interstate 17 into Flagstaff. Interstate 17 will turn into Milton Rd. as you head into town. Turn left on University Ave, then right on South Thompson St. Follow South Thompson St to Route 66 and turn left. The ADEQ office is located on the south side of the Route 66 west of South Thompson St.
